

Thank you, Park County!

At both the national and local level, Americans have seen through the deception and have made a clear decision to protect the integrity of our families, the innocence of our children, the stability of our economy, the security of our borders, and the very fabric of our Constitution. On behalf of the Park County Republican Central Committee, "Thank you, Park County, for helping to Make America Great Again!" Joyce Hines, 1st Vice-Chair

Below are words of gratitude from our newly elected and re-elected County Commissioners!!

"I want to express my sincere gratitude to all of Park County for electing me and my fellow county member, Amy Mitchell, to serve as commissioners. It is truly an honor to have been chosen for this important role, and I am both humbled and excited by the trust you have placed in me.

Serving the people of Park County is a responsibility that I take to heart, and I am eager to work collaboratively with Amy Mitchell and Dave Wissel, our colleagues, and the community to continue building on the progress we have made and to address the challenges that lie ahead. I believe that together, we can make a meaningful impact and bring about positive change that will benefit all residents of our county.

Please know that I am committed to being a thoughtful and diligent leader, and I will approach this role with the utmost dedication and integrity. I am inspired by the opportunity to serve, and I look forward to engaging with the community, listening to your concerns, and finding solutions that move us forward as a united and thriving county.

Thank you again for your confidence in me. I look forward to working closely with you and everyone involved in this process to achieve our shared goals."

Jason Gemmer

Commissioner Elect District 2

"Dear Park County Voters, I sincerely thank you for re-electing me as your Commissioner for District 1 and for the opportunity to continue the work I started in January 2021. I also want to extend my congratulations to Jason Gemmer, Commissioner District 2. Jason ran an honest, respectful campaign and focused on the issues we will tackle starting January 14, 2025. I also thank Clerk Milenia Kassel, Chief Deputy Clerk Trichon Eisenman and all their staff, the election judges and the many election watchers who invested their time and energy into a well-run election. It takes a team of volunteers to run an election, and I am grateful for you all.

I also acknowledge my opponent's willingness to step up to run for office, it is not an easy or simple task. I wish him well.

I am sure you are glad the election is behind us. I am also grateful to see it in the rearview mirror. I reaffirm my commitment to serving all corners of Park County. Without distraction, I will continue to focus on solving the many challenges Park County faces, being a large county with a small population and budget. With the new Board of 2025, I

am confident we will work well together and with all living here. We will strive to find the best solutions for Park County, to maintain and improve your quality of life. Let's now focus on the pressing county issues and have respectful, truthful and honest discussion.

I ask you all to accept the responsibility of participating in your government, to bring your ideas to the Board. After all, we work for you!

Thank you again. I am excited to serve you through 2028."

Sincerely, Amy Mitchell

Commissioner District 1
